---

The undersigned hereby declared that the above named products, of which a Notified Body has approved a representative sample, will be produced in accordance with the same specifications.

The Notified Body will be advised of all modifications made to the product in addition to all changes made in production which could be of influence on the safety of the product. On the basis of the information received the Notified Body will assess to what extent supplementary testing with regard to the standard is required. In the event that supplementary research is required, the existing certificate will become invalid and a new certificate will be applied for.

The European Directive Means of Personal Protection 89/686/EEG, for which the product is currently approved, does not make the execution of production control compulsory.
